From a very young age, especially in India, girls are taught, rather trained, to succumb to the pain. Irrespective of the time, their physical health during their cycle is deeply neglected, not considered in the first place. The challenges faced by young girls and women have always been the top most issues in the Indian culture.</p> <p>Finally HOD congratulated all for successful conduction of camp and felicitated the team.</p>

Description	<p>The principal addressed the gathering and welcomed all. The HOD distributed the work and the coordinators proceeded with camp.</p> <p>Plastic is inexpensive and handy. Plastics dominate the manufacture and packaging of most consumer items. This is where many advantages cease. Plastic is not only destructive to the environment, but also poses a health risk and takes a long time to breakdown naturally. Many plastics enter animal food systems, which humans ultimately ingest. Plastic is now a major environmental hazard. Increased plastic use has resulted in increased trash, manufacturing demand, and a more hazardous environment for animals.</p> <p>Finally HOD congratulated all for successful conduction of camp and felicitated the team.</p>

Description	<p>The principal addressed the gathering and welcomed all. The HOD distributed the work and the coordinators proceeded with camp</p> <p>Cleaning is important for the health and safety. If the hallways and rooms within a college is cluttered with rubbish, cables, boxes and other obstacles, it increases the likelihood of accidents and mishaps. If a serious injury occurs as a result of a disorganised work environment, it can potentially lead to more severe problems, including lawsuits and a loss of productivity and faith in the college.</p> <p>Maintaining a clean college environment sets a good example to students. It encourages learners to take pride in their university or college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment.</p> <p>Finally HOD congratulated all for successful conduction of camp and felicitated the team.</p>
