MEMORANDUM OF UNDERSTANDING

1. The Partners:

(i) The Art of Living (hereinafter referred to as "TAOL"), having its office at The Art Of Living International Centre, 21st km Kanakapura main road, Udayapura, Bengaluru, Karnataka - 560082, represented through its Authorised Signatory: **Shri. Rajeev Nambiar** (Director, Institutional Programs, The Art of Living)

And

(ii) S. S. S. College of Education, Nanded (hereinafter referred to as "SSSCE"), having its office at Sahayog Sevabhavi Sanstha's Sahayog Educational Campus, Vishnupuri, Nanded-431 606. (Maharashtra), represented through its Authorised Signatory: **Dr. Balaji G. Girgaonkar** (Principal)

(Hereinafter called as Partners)

2. Preamble:

The Art of Living (TAOL) is a charitable trust bringing in transformation in India through The Art of Living Training Programs and implementing a broad range of service projects to uplift and empower individuals, families, and communities so that the full potential of human life can be expressed.

The various institutional training programs of the Art of Living are globally recognised to equip and empower both students, faculty and staff with necessary tools and techniques for all round excellence. The training programs for students and faculty are both designed and customised to cater to the specific issues faced by each. The training programs help individuals to build life skills, leadership skills, communication skills, human values, interpersonal and behavioural competencies through practical, interactive and simple yet highly effective methods which draw upon ancient timeless wisdom. The appeal of the Training program cuts across barriers of all religion, nationality, caste, gender or socio-economic status.

The S. S. S. College of Education is one of the institutes being run by Sahayog Sevabhi Sanstha in its Sahayog Educational Campus. Sahayog Educational Campus, Vishnupuri, Nanded has been a crucial platform in career building of thousands of students. Reputed for its high standards in Engineering, Pharmacy, Management Sciences, Computational Sciences, Paramedical, Nursing, Educational Studies, Primary, Secondary and higher secondary school, the Campus is continuously attracting most of the major recruiters in its placement drive. The student centric academic structure aims at overall development of the students and also in developing outstanding professional skills. The co-

curricular and extra-curricular activities develop versatile students who actively contribute a lot in their professional and social life.

3. The Objective:

The 'Partners', decided that it was mutually beneficial to have a formal understanding between them in sensitizing the students, faculty and staff of the SSSCE about The Art of Living Training Programs.

The purpose of education is to prepare a person for life. To an experienced educationist, it is a well-known fact that the age group of 18-30 years is extremely crucial. This is the age where issues of career, relationships, peer/parental pressures, and anxiety about the future all come to the fore simultaneously. For youth bogged down by these issues, academic/professional performance and development to their full potential suffers. Nowhere, neither at home nor at school, have we been taught how to deal with our stress and negative emotions.

WHO defines Life Skills as 'the abilities for adaptive and positive behaviour that enable individuals to deal effectively with the demand and changes of everyday life.' The Art of Living programs are specially designed to develop the Knowledge Aspects which the New Education Policy (NEP) 2020 refers to as "liberal arts" – soft skills such as communication, discussion, debate, teamwork, social and moral awareness.

This partnership between TAOL and SSSCE aims to train students in the above knowledge aspects of "Liberal Arts" to give students a holistic, multi-disciplinary & value-based education via TAOL's tried and tested student development programs to develop all capacities of human beings - intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner.

i) **Programs offered by TAOL:** Life Skills Training (LIST) Program for students aged 18+

ii) **Program Content:**

The programs cover one or more of the following modules, depending on the profile of the participants:

- Mind management to cope with stress and emotions, especially exam stress

- Time Management and teamwork
- Healthy habits & environment
- Social Responsibility and Global Citizenship
- Well Being (restore sleep, appetite - circadian rhythm of the body)
