The institution employs decentralization and participatory management.

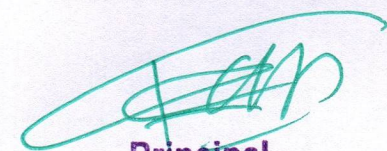

Through teamwork and participatory decision making, the college promotes democratic functioning. The administration uses a decentralized governance approach. The Principal makes choices to attain the defined objectives in cooperation with the College Development Committee and IQAC. The faculty is actively involved and participates in the institution's operations. The academic calendar is prepared by the Principal and the IQAC at the start of each academic year. The faculty members of the relevant committees then convene to discuss and finalize the actions to be carried out. The faculty is granted the authority to make adjustments based on the needs of the activities they want to perform. Student council members are also active in the planning and organization of numerous programs. The staff meeting was held online during the epidemic.

Committee on Admission: The Committee examines the documentation of the students' list as assigned and supervises the admission processes.

College development Committee: arranges internship-related activities such as practice teaching.

Examination Committee: The committee administers all internal examinations and keeps records of all internal assignments, as well as exams for Swami Ramanand Teerth Marathwada University.
